## THE FACTS

**More than a third (34%) of qualified  
small businesses have had a lawsuit  
filed against them in the past ten years.**

(2007 Harris Interactive Study conducted for the  
US Chamber Institute for Legal Reform)

**A substantial number (46%) of small  
business owners/managers have been  
threatened with an actual lawsuit.**

(2007 Harris Interactive Study conducted for the  
US Chamber Institute for Legal Reform)

**Small businesses typically spend about  
\$5,000 to settle a legal dispute**

(National Federation of Independent Business  
National Small Business Poll, 2005)

**About 40 percent of medical malprac-  
tice lawsuits are groundless –**

(National Federation of Independent Business  
National Small Business Poll, 2005)
